Subject: Parking for June Tent Sale

At their June 5 meeting, Council approved the **temporary removal of parking restrictions** on both sides of the 92nd Avenue cul-de-sac east of Baltimore, 91st Avenue and 92nd Lane between Baltimore and Davenport Streets, and on the west side of Baltimore Street between 91st Avenue and 92nd Lane, from **10 AM to 9 PM, June 12-15, 2014** to accommodate your upcoming tent sale. In addition, the Safety Services Manager has been authorized to modify the temporary parking if needed for the safety of the industrial park property owners, traveling public and contractors.

I am also notifying the police department of such action and requesting that the parking signs on said streets be bagged per the approved map, attached for additional reference.
