REF: Sanitary LS#13 – Flygt Pumps & Accessories

DATE: December 28, 2022

Electric Pump is pleased to submit this proposal for the following equipment. The scope of supply provided will be pre-procured by the City of Blaine, but installed by a contractor. The contractor will be required to replace the piping, base elbows, and guide rail system inside the wet well before installing these new Flygt pumps.

LS#13: Submersible Pumps & Accessories

- Two (2) Flygt NP3202.095-616LT submersible pump. Pump to be furnished with the following:
- 45hp, 460V, 3phase, 60Hz, explosion proof motor
 - Hard Iron N-Impeller and Insert Plate
 - 100ft Power cable
 - 12" Flygt discharge elbows
 - 3" SS guide rail and mounting brackets
 - SS Cable Rack for level sensing cables
 - SS Heavy Duty J-Hooks for pump cable & lifting chain
 - SS lifting chain with bow shackle
 - Flygt Mini-Cas pump monitoring units (*shipped to ASC*)
- One (1) Spare Pump Flygt model NP3202.095-616LT (45hp)
- Two (2) Flygt mix flush valve
- One (1) Lot of freight, startup services, and training included

Total Selling Price: \$283,860.00 plus tax

Note the following:

- Hatches, Grinder, Bypass, Prefab control building, conduit, piping, valves, reducers, meter sockets, anchor bolts, installation and anything that's not specifically mentioned in this proposal is the responsibility of others

Thank you for your consideration,
