

2018-2019 FUEL CONSORTIUM PURCHASE PROGRAM

Put "0" if product is not required for a specific month.

FIXED PRICE PROGRAM

Participation in the Fixed Price Fuel Program requires the State agency or CPV Member located in the nine (9) county metropolitan area to take 100% of the quantity pledged on the Fuel Order Form.

Participants must have a capacity for taking at least 500 gallons per delivery.

PLEASE NOTE:

Agencies should consider the amount of its annual usage it wants to commit to this program. It is not recommended that you commit all of your fuel needs to the Fixed Price Program. The Spot Price Program may be used for additional fuel requirements.
