Hi Stefan,

Every year I work with Dan on parking for our tent sales, but it sounds like he is out of the office so I am hoping you can help! We have two tent sales every year, the first one is June 12th – 15th and the second one is still being decided on.

We would really appreciate it if you would allow us to park on the following streets; 91st, 92nd, and the west side of Baltimore Street. Last year, you posted no parking signs on the east side of Baltimore Street and that worked out very well.

Please let me know if you have any additional questions or further information you need from me.

Thank you in advance for your help.

Thanks,
Katie
