

Voter's choice V4 Voting Booth

**NEW
PRODUCT!**

Item# 2250-01.....\$695.00

Combining Printelect's trademark attention to detail with responsive innovation, the Voter's Choice V4 Booth features 4 standard-to-ADA convertible voting stations, large writing surfaces, and lightweight privacy panels. These features are combined in an easy-to-move, easy-to-assemble package – no flipping required!

The V4 saves both space and money as it comfortably fits 4 voting stations into a smaller footprint than traditional single voting booths. This combination also provides a very competitive per-unit price point when compared to traditional booths. Contact Printelect today about our newest, most exciting booth yet; the V4!
