Subject: "CUP" For Color Mystique

Lori,

The purpose of the "cup" is for me to obtain a dealer license through the state of MN. As of right now I have the opportunity to purchase vehicles from a variety of car dealers that currently do business with my body shop. The car dealers will bring in cars for repair and on occasion the repair costs are more then they want to put into these vehicles so I then have the opportunity to buy these vehicles. On occasion this also applies to private individuals that bring cars in for repair. These cars will then be repaired and re-sold by my company. As business slows do to weather or for what ever other reasons I would also like the ability to purchase vehicles from the auction for the purpose of repairing them and re-selling them.

I understand the regulations of the city of Blaine for this to be inside car sales and with the info I provided I will be able to meet these requirements.
I will supply any more information if needed to the best of my abilities.

Thank you
Troy Noble
