Quan	Description	Unit Price	Ext. Price
0	*** Hamline Water Tower 3 restoration project. Re-install wireless equipment from Lexington tower back onto the Hamline water tower (#3) ***	\$0.00	\$0.00
1	Material required (Tower climber services as well as hardware)	\$7,042.33	\$7,042.33
1	Labor	\$2,106.00	\$2,106.00
1	Shipping	\$140.85	\$140.85
1	Tax	\$638.63	\$638.63
0	**** This is a estimated worst case scenario. We are anticipating having to replace some of the cables due to being too short and not able to reach the new railing that is being installed on Hamline water tower. Splicing of cables will not be done. If we do not have to replace cables, this price will be reduced. It will be unknown until the project is started. ***	\$0.00	\$0.00
