Hello Dawn,

This is regarding case 15-0030. I reside at 12493 Midway Cir NE and I got a public notice regarding permit of a deck of my neighbor Andy Burmeister.

I've no issues if the deck extends 1.5 feet further into the rear yard. Also I'm not sure whether this rule is for some houses as my other neighbor is having is deck which is not even 5 feet from the rear end of the yard and not sure how that permit got passed.

Anyway, please treat this letter as official confirmation of my NO-Objection for Andy's extension.

If you have any more question I'm reachable at 812-205-0335.
