Rebecca Colby, 12963 Quincy Street NE, stated she has an issue with the City's ordinance for keeping chickens in backyards. She stated she lives in a single family home that is not under an association, meets the space requirements, and received her neighbor's approval of their having chickens. She stated she applied for a permit but was told she lives in a DF zone and is not eligible. She was told she could apply for a conditional use permit for \$400 which is unfair because a permit is \$45. She stated she is asking for an ordinance change to include chickens in a DF zone.
