Hi Lisa -

I hope it's not too late to get this to you. We live in the townhomes next the proposed planning area for Waters Edge at Club West. We had a few questions for the builder before next week's meeting. I'm sure they will go over this, but just in case...

1. What is the planned schedule for the entire project?
2. What hours will they be working during the day?
3. We live in the very last townhome, next to the empty lot. Will our driveway or parking be blocked?
4. Do they have a layout for the houses? 14 houses seems a little cozy in that space, will they be very close to our house and yard?
5. What will the houses sell for? We are just concerned about our own property values.

Okay, I think that's all we have. Thank you, and have a nice weekend!
