Stacy
I am sorry Stacy. Disregard his call and keep me as the current owner. I know you have my paperwork so we are all good for the city council meeting.
Have a wonderful weekend. ☺
Jodi

Subject: Massage Enterprise License

Jodi,

I just received a phone call from a male stating he had purchased your business and would be the new owner as of Monday. Per our earlier conversation during the renewal process, it was explained to you that the Ordinance was changed to a cap of 10 Enterprises and we are currently at 19. I also explained that if you decided to sell the new owner would need to fill out the paperwork and it would need City Council approval, just as when you applied and were approved for your Enterprise. This process takes at least one month to complete in which you will remain the current owner in order for the Enterprise to remain open. The new ordinance (attached) was sent out to all the Massage Enterprises on two different occasions, went before City Council for 1st reading on August 2nd and approved at 2nd reading on August 16th. If you decided to sell, the new owner would need to fill out the paperwork along with a letter from you stating you are selling the business and surrendering your massage enterprise licenses. It would be up to the City Council to approve or deny the license. If the license is denied, the enterprise license and the therapist licenses will be void.

Please provide the name of the individual you are selling the business to and advise how you will be proceeding. Let me know if you have additional questions. Thank you.
