Nat'l Resources Conservation Board

The Natural Resource Conservation Board is an advisory body to the City Council. The Board is charged with recommending acquisition of lands for open space and developing a Natural Resource Plan which includes environmental policy and guidelines for the maintenance and preservation of Blaine's existing and future opens spaces and trail corridors. One of the Board's functions is to hold public meetings and make recommendations to the City Council. For each item, the Board will receive reports prepared by City staff, provide the opportunity for public response, conduct Board discussions and make recommendations. The City Council, however, makes all final decisions on these matters.

The Natural Resources Conservation Board members will conduct a tour of the Open Space trails at Kane Meadows Park (2946 Rice Creek Parkway) beginning at 6:30PM. Following the tour, they will adjourn and reconvene at city hall to conduct their regularly scheduled meeting at 8:00PM in the council chambers.
