Subject: Case #16-0007 Raising Canes Restaurant

Hi Dawn,

Regarding Case # 16-0007.

Customers who bank at our TCF Branch located at 1550 109th Ave. are already experiencing congestion in/out when east bound traffic backs up on the Victory Village road to turn north or south on Davenport.

What do traffic study results reveal adding another business such as a fast food restaurant like Canes to the area?

If those results imply a need, is it feasible and/or would the City consider a traffic light at that intersection to improve flow?

Thanks,
