ATLAS PET / HOUSE OF DOGZ SUMMARY

Our intentions are to add doggie daycare services to our existing business of
ATLAS PET to be called HOUSE OF DOGZ

The ATLAS PET entrance will be used for our clients to drop their dog(s) off for
HOUSE OF DOGZ check-in and will also be used for pick-up.

ATLAS PET/HOUSE OF DOGZ employees will handle the leashed dog(s) through
ATLAS PET to and from the HOUSE OF DOGZ daycare space. This is where the dog(s)
will be cared for during their visit.

Hours of operation: Mon.-Sat. 6:00am-7:00pm (future Sunday hours may be added)

The space inside will remain open for play areas, with proper gates for security as
indicated on the attached floor plan. The 6' high outdoor privacy fenced area is an
important feature for added security and bark control. It will provide additional play
space with outdoor fresh air and a large area for exercise, weather permitting.

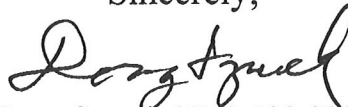

HOUSE OF DOGZ staff will be in attendance at all times.

No dogs will be left unattended.

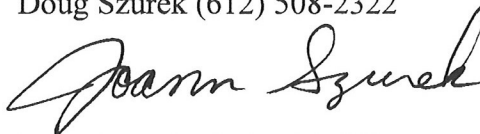

For the past 24 years and presently, ATLAS PET has demonstrated exceptionally high
standards in proper pet care with a clean healthy environment.

The HOUSE OF DOGZ daycare will be held to these same high standards both inside
and outside the premises.

Sincerely,

Doug Szurek (612) 508-2322

Joann Szurek (612) 508-2321

The Bufftech® Advantage

Long-lasting beauty, superior performance and the best protection you can get — that's the Bufftech Advantage.

The difference starts with details.

Precision Routing

Assures a clean, realistic look without visible glue or screws.

Heavyweight Pickets

Provide impact resistance and reduces movement.

Internal Reinforcement

Limits sagging and maintains a strong and sturdy performance.

Color & Texture

CertainTeed sets the standard for the latest innovations in sophisticated styling. From our proprietary texturing process to our unique shades and stain blends, CertainTeed is the undisputed leader in color and texture. Whether you want the look and feel of natural wood or an easy-to-maintain, economical alternative to stucco walls, Bufftech has a vinyl fence to complement any setting. Plus, Bufftech is virtually maintenance-free, and never needs staining or painting. For complete style and color specifications, see page 30.
