APPROVE TEMPORARY NURSERY SALES LICENSES

In 1998, Ordinance 98-1719 was enacted to require a license fee and establish insurance requirements and a time limit in which to operate. The temporary nursery sales license is limited to a maximum of seventy-five (75) days per calendar year and the first day of set up begins the time clock. The applicants have submitted their application along with all necessary documentation required by City ordinance for a temporary nursery sales license. Each of the applicants has also submitted their \$400 license fee and the required certificate of liability insurance.
