**Title**  
Granting a Conditional Use Permit Amendment to Allow for 2,900 Square Feet of Retail Space in a PBD (Planned Business District) Zoning District at 1237 97<sup>th</sup> Avenue NE. Unclaimed Freight Discount LLC (Case File No. 21-0017/EES)

**Executive Summary**  
Unclaimed Freight is requesting a conditional use permit amendment to allow for a portion of their office/warehouse space to be used for retail of surplus goods and unclaimed freight. The site meets current performance standards and adequate parking has been provided. Staff recommends approval.

**Schedule of Actions**

Planning Commission Public Hearing	04/13/21
City Council (Conditional Use Permit)	05/03/21
Action Deadline	06/25/21

**Background**  
*Staff report prepared by Elizabeth Showalter, Community Development Specialist*

There are three existing office/warehouse buildings at the northwest corner of 97<sup>th</sup> Avenue and Ulysses Street that are currently home to a variety of industrial and warehouse uses. The applicant is currently operating a business in one of these buildings, processing and reselling unclaimed freight. The applicant has a storefront in Columbia Heights where most of the products are sold, but wants to be able to sell larger items, such as furniture, out of the space in Blaine.

The property is zoned PBD (Planned Business District) and the Conditional Use Permit (CUP) for the construction of these three buildings outlined the allowed uses as warehouse, office, and manufacturing. The CUP specifically indicated that a CUP amendment would be required for any retail uses. At this time the applicant is requesting the amendment to allow for the use of approximately one third of the tenant space for retail.

The parking for the industrial buildings was determined with a mix of office, warehouse, and manufacturing. The applicant is converting office space to retail. Since both have the same parking requirement (one space for every 200 square feet of floor area), no additional parking is required.

The site currently meets landscaping and other design standards, therefore no site upgrades are required as part of this conditional use permit amendment.
