### **GRANTING FINAL PLAT APPROVEL TO RE-PLAT FIVE VACANT PARCELS INTO ONE PARCEL AND ONE OUTLOT, LOCATED AT 11155 ULYSSES STREET NE. BLAINE ULYSSES LLC (ULYSSES STREET OFFICE BUILDING) (CASE FILE NO. 19-0053/LSJ)**

Planning Commission (Public Hearing)	02/12/20
City Council (Preliminary Plat)	03/02/20
City Council (Final Plat)	04/06/20

Blaine Ulysses LLC is proposing to replat five existing parcels into one lot, and construct a two story office building on the new lot. The names of the tenant or tenants are not yet known. The property is zoned B-2 (Community Commercial) and the office use is a permitted use.

The proposed final plat includes one lot and one outlot. Lot 1 includes several existing parcels adjacent to Highway 65 and east of Ulysses Street, and this is where the office building will be located. This lot is 5.35 acres in size.

The outlot being proposed is located between Buchanan Road and Ulysses Street. This outlot is located as such due to the fact that the construction and right-of-way acquisition for Ulysses Street split this lot from the other property on the east side of Ulysses Street. This outlot is being used for ponding purposes, but had the potential for the creation of single-family parcels

along Buchanan Street. The developer is proposing to enlarge the city pond for the benefit of this development, thus removing the opportunity for homes to be constructed along Buchanan Street. The developer will be required to pay for upgrades to 168 feet of Buchanan Street, the frontage of this outlot, in the amount of \$15,800 based on a feasibility report the city had prepared in 2006.

Park dedication will be required for this plat in the amount of \$8,704 per acre. Since the entire plat is 6.26 acres, the total park dedication fee required is \$54,487. This amount is due prior to the release of mylars for recording at Anoka County.

The final plat is consistent with the approved preliminary plat, Resolution No. 20-36.

By motion, approve the Resolution.
