Accept Bid from Jacon LLC in the amount of \$297,648.80 for the Aurelia Park Pond Project, Improvement Project No. 19-42

The City Council reviewed this project request at the March 15, 2021 Workshop and approved a Joint Powers Agreement at the July 7, 2021 Council Meeting. This Joint Powers Agreement authorized that staff work with the Coon Creek Watershed District to prepare a plan and obtain bids for the construction of the water quality pond.

The project generally consists of the excavation of a new storm water pond located in Aurelia Park. Work includes including site grading, pipe and structure installation, tree removal and replacement, retaining wall installation, and restoration located in Aurelia Park.

Bids were received electronically at 10:00 AM, October 26, 2021, for Project No. 19-42. A total of 10 bids were received ranging from \$297,648.80 to \$486,228.16. The three lowest bidders are as follows:

Jacon LLC	\$297,648.80
Forest Lake Contracting, Inc.	\$309,213.00
New Look Contracting, Inc.	\$336,208.50

Bids have been checked and tabulated, and it has been determined that Jacon LLC of Vadnais Heights, Minnesota is the lowest bidder. Staff recommends the low bid be accepted and a contract entered into with Jacon LLC.

City Council is also asked to approve a 10% contingency to bring the total project budget to \$327,413.68. The funding source for this project is shared between the Coon Creek Watershed

District and the City and there are sufficient funds to cover these costs.

This project aligns with the City's strategic initiatives for Growth Management and providing a Well-maintained Infrastructure.
