**Background**  
*Staff report prepared by Shawn Kaye, Associate Planner*

In the R-1AA (Single Family) zoning district, a Conditional Use Permit (CUP) is required for accessory building/garage space larger than 1,000 square feet and up to 1,200 square feet. Currently, the applicant has an attached garage that is 992 square feet. The applicant is requesting a CUP to build a detached accessory building (pool house) totaling 200 square feet. The total proposed accessory building space would then be 1,192 square feet.

The applicant is planning to use the additional accessory space to store pool equipment and have a bathroom for pool use. The colors and materials will need to match those of the existing house.
