Planning Commission

The Planning Commission voted unanimously to approve the preliminary plat. There were no comments at the public hearing.

On October 16, 2014, the City Council approved a conditional use permit that allows JEA Senior Living to construct 66 memory care units in a 31,000 square foot building on the southeast corner of Ulysses Street and Ulysses Lane. The facility focuses exclusively on Alzheimer's, dementia and related memory issues that afflict our aging seniors.

The site plan that was previously presented by JEA Senior Living required that a new plat be created as the project includes a subdivision of one large parcel. At this time JEA is presenting

such preliminary plat for approval.

The preliminary plat consists of 5.94 acres and two new lots. Proposed Lot 1 is 3.9 acres and will be used for the memory care facility. Proposed Lot 2 is 1.33 acres and will be further marketed towards uses allowed in the PBD (Planned Business District).

Park dedication has previously been paid for this plat as the property was originally platted in 2007 and the fee was paid at that time.

Applicant will need to receive a Coon Creek Watershed Permit prior to any site work.
