GRANTING A CONDITIONAL USE PERMIT AMENDMENT TO ALLOW FOR A 5-FOOT SIDE YARD SETBACK FOR A GARAGE RATHER THAN THE REQUIRED 7.5 FOOT SETBACK IN A DF (DEVELOPMENT FLEX) ZONING DISTRICT LOCATED AT 12891 XYLITE STREET NE, THE WOODS AT QUAIL CREEK 4TH ADDITION. Staff report prepared by Lori Johnson

The development known as Woods at Quail Creek 4th Addition was final platted in 2016, with 18 lots included in the plat. A conditional use permit for this plat was approved in 2015, and that resolution of approval contained all standards for the development of the 18 lots in the plat.

One of the standards in the conditional use permit resolution indicates that a 7.5 foot setback for both a house and garage is required in all side yards. There is one lot in particular within this development (Lot 1, Block 3) that has a 10 foot drainage and utility easement on the north side of the lot that prohibits the home builder from utilizing the 7.5 foot setback requirement on the north side of the lot. Because the setback on the north side of the home is 2.5 feet greater than what is

required, it is difficult to meet the 7.5 foot setback on the south side of the lot without altering the typical home design for this development.

The developer/builder of this lot is asking to change the conditional use permit requirements for this one lot to allow for a 5 foot setback on the south side of the lot. This is the garage side of the lot, so the garage setback would be 5 feet while the living portion of the home would have a setback of 14.75 feet.

Staff is amenable to allowing an amendment to the conditional use permit for Woods at Quail Creek 4th Addition for this one lot. Staff has worked with other developers throughout the community on situations like this where there are specific factors on a lot that make meeting the setback difficult. In addition, the standard setback for a garage in an R-1 (Single Family) zoning district is 5 feet, so this request is not out of the norm for single family lots.

Because this is a simple amendment for one lot only, this item was not brought forward to the Planning Commission for their review. The City Council is asked to hold a public hearing and act on this item. Residents within 350 feet of this parcel have been notified of the public hearing.

By motion, approve the Resolution.
