Title

Authorize the Blaine Economic Development Authority, Having all the Powers of a Housing Redevelopment Authority, to Levy a Property Tax upon the Taxable Property in the City of Blaine for 2023

Executive Summary

Pursuant to Minnesota statutes, the EDA will establish its 2023 preliminary tax levy.

Background

Minnesota statutes require special taxing districts to certify preliminary property tax levies to county auditors by September 30. The Blaine Economic Development Authority (EDA) functions as a special taxing district and is therefore authorized to levy taxes under these same enabling statutes. The EDA is governed by the Blaine City Council who serve as the EDA's Board of Directors and President. The City Manager is the Executive Director of the Blaine EDA.

From the City's most recent Comprehensive Plan, Blaine will encourage "through land use and the City's EDA (Economic Development Authority), development that creates access to sustainable jobs for the residents of Blaine. Development of corporate offices, professional and financial services, research, medical manufacturing and medical services, education and emerging industrial technology will be focal points in helping to create a well-balanced and vital economy for the City and its residents." The City, through the EDA, will "dedicate staff resources to monitoring the economic health of the City and assisting businesses in relocation or expansion within the City."

On December 18, 2021 the Economic Development Authority Board adopted the final 2022 levy of

\$750,000, an increase of \$50,000 from the prior year levy.

Staff recommends a 2023 Preliminary EDA Property Tax Levy of \$1,200,000. Members of the EDA Board have expressed intent to discuss and adopt increased levels of service for upcoming activities related to 105th redevelopment and Northtown Mall redevelopment. The recommended levy will provide the Board adequate time and flexibility to determine and adopt guidance related to service levels for upcoming development.

Strategic Plan Relationship

The EDA levy is a component of the city's strategic priority of Financial Stability.

Board/Commission Review

The EDA/City Council has reviewed the proposed EDA levy at previous Council Workshops.

Financial Impact

As the main source of funding for EDA operations, the levy will establish 2023 funding parameters for the EDA.

Public Outreach/Input

No public notification required.

Staff Recommendation

Adopt the proposed 2023 Preliminary EDA property tax levy pursuant to statutes.
