Planning Commission Public Hearing	04/10/18
City Council (Preliminary Plat)	05/03/18
City Council (Final Plat)	07/07/21

Background

Staff report prepared by Lori Johnson, City Planner

The City Council approved a preliminary plat for Lexington Meadows on May 3, 2018. This is the proposed development on the southwest corner of Lexington Avenue and 109th Avenue. Wellington Management is the developer of the project.

Outlot A of the Lexington Meadows 2nd Addition plat is being replatted to create one lot and two new outlots to be known as Lexington Meadows 4th Addition. This new lot will be used for the Lexington Meadows Medical Building, and the conditional use permit for this development will be reviewed by the City Council on July 7, 2021. The outlots will be used for further development consistent with the PBD (Planned Business District) zoning district.

A permit is required from the Rice Creek Watershed District.

The developer will need to pay park dedication for each lot as it develops at the rate in effect at that time. For the one new commercial lot being developed, a park dedication fee of \$8,704 per acre will be required. The total acreage of the one new lot is 3.27 acres. The total park dedication fee for this plat is \$28,462. This fee shall be paid prior to the final plat mylars being released for recording purposes at Anoka County.

Wellington Management will be responsible for all planting and maintenance of the landscaping in the right-of-way, and underground irrigation must be provided for the landscaping.

A Site Improvement Performance Agreement (SIPA) will be required prior to any work commencing on site. This agreement will include financial guarantees for the site work.

The final plat is consistent with the approved preliminary plat, Resolution No. 18-77.

Strategic Plan Relationship
