### CONDITIONAL USE PERMIT TO ALLOW INSTALLATION OF A NINE (9) FOOT FENCE ALONG CO52 (RADISSON ROAD).

**13269 OWATONNA COURT NE  
DEAN SIME**

**CASE FILE NO. 11-0043**

Planning Commission Public Hearing: 12/13/11  
City Council: 01/05/12

In November of 2008 the City Council adopted the 2<sup>nd</sup> Reading of a code amendment to the height provisions for residential fences abutting collector and arterial roadways. The amendment now allows fences abutting major roadways to be taller than six-feet and up to 10-feet feet with the granting of a Conditional Use Permit. The purpose of the change to allow taller fences was to help property owners mitigate noise issues associated with living next to these busier and louder roadways.

The fence that the applicant is proposing will be 9 feet in height and it will run along the length of their rear property line that abuts the west side of Radisson Road. The fence will be a solid panel fence similar to the drawing that is attached to this report, and the fence will essentially look like a granite wall.

The application as submitted is consistent with the expectations of the code amendment.

By Motion, approve the Resolution.
