GRANTING A CONDITIONAL USE PERMIT TO ALLOW FOR OPERATION AND EXPANSION OF THE EXISTING CHARTER SCHOOL INSIDE NORTHTOWN MALL AT 508 NORTHTOWN DRIVE NE. PALADIN ACADEMY. (CASE FILE NO. 12-0018/LSJ)

Planning Commission (Public Hearing) 07/10/12
City Council (Conditional Use Permit) 08/02/12
Action Deadline 08/13/12

Planning Commission

The Planning Commission unanimously recommended approval of the conditional use permit. Lisa Erwin, representative of the school, spoke at the public hearing.

Paladin Academy is currently located in Northtown Mall and has been there since the 2003-2004 school year. When this use went in, a conditional use permit was never issued for the school, but a conditional use permit is required for schools in this zoning district (B-3 Regional Commercial). At this time, the school wishes to expand within the mall so the City is requiring that the school obtain the required conditional use permit.

Paladin Academy is a public charter school that serves students in grades 9-12. The current

enrollment is approximately 150 students, but the school is targeting an enrollment of 225 for the 2012-2013 school year, which is why they would like to expand their space within the mall. The school accommodates at-risk students in the North Metro area. The attached narrative describes the schools purpose, class schedules, enrollment procedures, etc. You will see that several changes are being made to the floor plan as you compare the existing and proposed floor plans for the school.

It is noted in the narrative that the school utilizes 5-7 passenger vans for the majority of the student pick-up and drop-offs. Other students utilize Metro Transit options, drive themselves, or are transported by parents or guardians. As with many conditional use permit reviews, the City is generally concerned about the parking needs of uses such as schools. Given that this school is in Northtown Mall and given that vans are utilized for student arrivals and departures, staff is not concerned that this use will create a parking problem for the mall. The mall has excess parking available for this use.

By motion, approve the Resolution.
