#### **Planning Commission**

The Planning Commission voted unanimously to approve the conditional use permit. There were no comments at the public hearing.

Mr. Stawski is proposing to locate an indoor training facility for baseball and softball players in a Light Industrial (I-1) zoned building on 103<sup>rd</sup> Court. Such use is permitted through the issuance of a conditional use permit, much like the crossfit gyms and martial arts gyms that have opened more recently in Blaine.

The tenant space that will be used is 5,000 square feet, and the space will consist of 4,500 square feet of netted areas used for batting practices and fielding practices. The remaining 500

square feet will be used for office and restrooms. The facility will cater to boys and girls ages 8-18. Please see the attached narrative for more information.

The proposed hours of operation are as follows:

September- May

- Weekdays 4 p.m. through 9 p.m.
- Weekends 10 a.m. through 6 p.m.
- Other hours by appointment

June-August

- Weekdays 2 p.m. through 7 p.m.
- Weekends 10 a.m. through 6 p.m.
- Other hours by appointment

The estimated parking required for such use is not expected to exceed 15-20 vehicles at any given time. The entire building occupies 48,000 square feet and has 82 parking stalls in front of the building with significant area in the rear should additional parking be needed. Staff is not concerned with the parking required for this use because of the primary night and weekend use of the facility, which is opposite of the other uses in the building.

By motion, approve the Resolution.
