SECOND READING

GRANTING A CODE AMENDMENT TO SECTION 32.02 OF THE FLOOD PLAIN OVERLAY OF THE ZONING ORDINANCE REFERENCES TO COINCIDE WITH FEDERAL EMERGENCY MANAGEMENT AGENDA (FEMA) LETTERS OF MAP REVISION (LOMR) EFFECTIVE JULY 1, 2016. (CASE FILE NO. 16-0038/JK)

Planning Commission (Public Hearing)	07/12/16
City Council (1 st Reading)	08/04/16
City Council (2nd Reading)	08/18/16

The Planning Commission voted unanimously to approve the code amendment. There were no comments at the public hearing.

Development activity in the Sanctuary Preserve project required a revision to the City's Flood Insurance Rate Map (FIRM) through applications to the Federal Emergency Management Agency (FEMA). FEMA issued a Letter of Map Revision in February that became effective July 1, 2016.

FEMA regulations require the City to incorporate these revisions into the City's Flood Plain Overlay District Ordinance, which is a part of the Zoning Ordinance. Development included with this revision is all phases in the Sanctuary Preserve project area. Follow-up applications to FEMA will be processed by the Developer to insure that all homes are removed from the flood zone as they are constructed.

By motion, approve the Ordinance.
