### **GRANTING A CONDITIONAL USE PERMIT TO ALLOW 1,200 SQUARE FEET OF GARAGE SPACE IN AN R-1 (SINGLE FAMILY) ZONING DISTRICT AT 10160 ERSKIN STREET NE. RICHARD MONDRY. (CASE FILE NO. 17-0012/SLK)**

Planning Commission (Public Hearing)	05/09/17
<b>City Council (Conditional Use Permit)</b>	<b>06/01/17</b>
Action Deadline	07/15/17

The Planning Commission voted unanimously to approve the conditional use permit. There were no comments at the public hearing.

In the R-1 (Single Family) zoning district, a CUP is required for garages larger than 1,000 square feet and up to 1,200 square feet. Currently the applicant has a 752 square foot attached garage and wishes to construct a detached garage in the rear yard of their property measuring 448 square feet. Total proposed garage space would be 1,200 square feet.

The side, front, and rear yard setback requirements will be met according to the survey and site plan submitted.

The applicant wishes to use the proposed garage for additional storage. Colors and materials will

match the house. The two existing accessory buildings will be removed prior to a building permit being issued for the new detached garage.

There will be an additional overhead garage door located on the rear side of the existing attached garage, to provide access to the newly constructed detached garage. The applicant will need to provide a hard surface (asphalt/concrete) driveway for access to the detached garage.

By motion, approve the Resolution.
