SECOND READING

AMENDING CHAPTER 6 - ALCOHOLIC BEVERAGES, ARTICLE II. - INTOXICATING LIQUOR AND 3.2 PERCENT MALT LIQUOR, SEC. 6-38 - KINDS OF LIQUOR LICENSES

At the May 11, 2017, Council workshop, staff shared that with the increasing popularity of craft beer, staff is seeing requests from brewers to serve their craft beer at special events. This amendment, if approved, would allow a brewery the ability to obtain a temporary on-sale liquor license to serve malt liquor in connection with a social event sponsored by the brewery. First reading was held at the June 1 Council meeting.

Currently City Code only allows temporary on-sale liquor licenses to be issued to clubs or charitable, religious or nonprofit organizations. In 2016 City Council approved an amendment to expand the definition of a temporary on-sale license to include intoxicating liquor as well as 3.2 malt liquor and no concerns have occurred as a result of that addition. State Statute does allow a municipality the ability to issue a temporary on-sale malt liquor license to a brewer who manufactures fewer than 3,500 barrels of malt liquor in a year in connection with a social event. In anticipation of Invictus and possibly other brewers who may wish to hold special

events and serve their beer, staff is proposing that temporary on-sale liquor licenses include small brewers. Staff is also clarifying language to include wine as a temporary license as originally intended.

The same terms for clubs and nonprofit organizations would also apply to a brewer; they would have to provide proof of required liquor liability insurance, name the City as additional insured, and abide by the limits on the number of days allowed: no more than 12 days in one calendar year and no license to exceed four consecutive days. As with all temporary licenses staff would ensure that any event include food service.

Hold second reading and adopt the proposed ordinance.
