GRANTING A CONDITIONAL USE PERMIT AMENDMENT TO ALLOW FOR THE CONSTRUCTION OF A 480 SQUARE FOOT DETACHED GARAGE IN A RF (RESIDENTIAL FLEX) ZONING DISTRICT, LOCATED AT 1097 98TH LANE NE. JOSEPH WEBER AND SUSSEL BUILDERS. (CASE FILE NO. 17-0020/NBL)

Planning Commission (Public Hearing) 06/13/17
City Council (Conditional Use Permit) 07/13/17
Action Deadline 08/20/17

The Planning Commission voted unanimously to approve the conditional use permit. A public comment was received in support of the application.

The applicant wishes to build a 480 square foot detached garage on this property in order to provide space to store a boat and a trailer. There is currently a 440 square foot attached garage on this property. With this construction the property will have 920 square feet of garage space.

The original resolution for this development area does not specify requirements for detached garages. Therefore, a CUP amendment is required for the construction of a detached structure to ensure that the proposed overall area of garage and accessory building space aligns with the

development goals of the RF zone. The City has approved several CUP amendments for similar type detached garages throughout the city.

The garage will match the existing detached structure and house. No trees will be removed with this addition to the structure.

By motion, approve the Resolution.
