OVERNIGHT PARKING ORDINANCE

Current City Code prohibits overnight parking between the hours of 2:00 am and 7:00 am between November 1st and April 1st on any highway, street, or alley within the city without an emergency parking permit. Staff will present an overview of the ordinance and present various options for consideration. This is an initial discussion on a section of the traffic code. There will be additional sections presented for review in the future.

Staff recommendation is to keep the ordinance as it is, but change ordinance violations to a petty misdemeanor from a misdemeanor.
