SECOND READING

AMENDING CHAPTER 6 - ALCOHOLIC BEVERAGES ARTICLE II. - INTOXICATING LIQUOR AND 3.2 PERCENT MALT LIQUOR AND CHAPTER 10 - AMUSEMENTS AND ENTERTAINMENTS - ARTICLE II. - AMUSEMENT CENTERS AND AMUSEMENT DEVICES OF THE CODE OF ORDINANCES OF THE CITY OF BLAINE

Staff was approached by X-Golf to operate a golf simulator center and a restaurant with alcohol in the vacant tenant space next to Best Buy at Northtown Mall. The proposed use would require an amusement center license and on-sale intoxicating liquor license, both of which are currently not allowed by City Code because of the Paladin Career and Technical High School located within the mall. At the July 8 Council meeting first reading was held to remove the restriction of an amusement center within 1,500 feet from a school and the alcohol license restriction within 500 feet of a school if located within a regional mall to allow this proposed use. While unrelated two additional amendments were also included in first reading at staff recommendation: (1) remove the alcohol license restriction within 500 feet of a church to allow flexibility for churches that may wish to locate in less traditional spaces such as a strip mall and (2) repeal the amusement device license as very few cities no longer issue such

licenses.

At first reading representatives of X-Golf requested Council consider exempting golf simulators from having to obtain an amusement center license, similar to bowling alleys. Staff believes the proposed amusement center definition as more than 20% of the gross area would best address a golf simulator use as well as future amusement uses and should not be included as an exemption at this time. The applicant has since applied for an amusement center license which will be considered later in the agenda should the ordinance be adopted.

Hold second reading and adopt ordinance as proposed.
