GRANTING A WAIVER OF PLATTING TO SPLIT AN EXISTING LOT INTO TWO PARCELS IN AN I-2 (HEAVY INDUSTRIAL) ZONING DISTRICT LOCATED AT 1501 101ST AVENUE NE. MENARD, INC. (CASE FILE NO. 19-0031/SLK)

Planning Commission (Public Hearing)	07/09/19
City Council (Waiver of Platting)	08/05/19
Action Deadline	09/21/19

The planning commission voted unanimously to approve the waiver of platting. There were no comments at public hearing.

There is an existing 2.79 acre parcel that is currently owned by Forman Properties, Inc. on the north side of 101st Avenue. The applicant, Menards, is proposing to split the existing lot into two parcels.

The small parcel (Tract A) would be combined with the Menards property to the north. Once this lot split takes place, Tract A will be re-platted as an outlot with the Menards parcel to the north and used for storm ponding. The larger parcel of 1.79 acres (Tract B), with the existing building will be retained by Forman Properties.

No park dedication will be due with this waiver as the newly created parcel (Tract A) will be

platted as an outlot for storm ponding on the Menards site. A 10' wide easement must be placed over the existing storm sewer pipe that runs through the property.

By motion, approve the Resolution.
