2020 COUNCIL APPOINTMENTS

Council postponed review of the 2020 Board/Commission and Council appointment process at the November 18 workshop to allow more time for discussion on the following topics:

- (1) Proposed language regarding possible term limits and a path for serving outside designated Council wards in the event candidates are not identified within a ward.
- (2) Review annual Council appointments to organizations, especially in light of anticipated changes after the 2020 election.
- (3) Review Fire Board applications received to date and discuss potential interview date(s).

Each Board/Commission term and appointment process is outlined in different sections of City Code, with the exception of the Natural Resources Conservation Board which is outlined by Resolution. Staff is suggesting removing the process outline from Code/Resolution and instead creating a Council policy that could be easily amended should Council wish to make changes to the appointment process again in the future. Potential language that would allow for a resident to serve at large in the event a candidate from a particular ward is not identified is as follows:

In the event a candidate cannot be identified from any ward a resident from outside that ward can be appointed to serve at large for one 2-year term upon consensus of the

majority of City Council.

Potential language for term limits is below:

A Board Member/Commissioner can serve no more than three 2-year terms unless agreed upon by a consensus of the majority of the City Council.

Council input on the above topics is requested.
