PUBLIC HEARING - *Lori Johnson, City Planner*

GRANTING A CONDITIONAL USE PERMIT AMENDMENT TO ALLOW FOR A MINIMUM SQUARE FOOTAGE OF 1,350 SQUARE FEET IN THE ARROYO VILLAS DEVELOPMENT, LOCATED AT 116TH AVENUE NE AND ULYSSES STREET. RANGER DEVELOPMENT LLC (CASE FILE NO. 19-0019/LSJ)

City Council	01/06/20
Action Deadline	02/02/20

In June, 2019 the development known as Arroyo Villas was approved through a conditional use permit issued by the city council. The development is 5.28 acres in size with 22 single family, detached units.

The developer, Ranger Development, originally planned to provide floor plans that were no smaller than 1,800 square feet in Arroyo Villas. As they started marketing the community, they saw the need to provide a more affordable product, and one way to do that is to provide smaller floor plans.

The developer is now proposing to build homes that could have a minimum square footage of 1,350 square feet. These homes would have similar layouts and exterior elevations of what was originally proposed; they would just be smaller in size.

Staff is supportive of an amendment to the conditional use permit resolution for this development that allows a minimum of 1,350 square feet for the homes in the development. Other developments in Blaine have gone as low as 1,380 for square footage in recent years so this proposal is not distinctly different. The amendment is recommended for approval.

By motion, approve the Resolution.
