City Council

02/01/21

Staff Report Prepared by Lori Johnson

The City is requested to release specific lots from recorded development agreements on a fairly regular basis. In this instance, the developer of Lexington Meadows 3rd Addition has requested that the City release Lot 1, Block 1, Lexington Meadows 3rd Addition from the recorded development agreements.

The lot in question will be the home of a small strip retail building with Starbucks as one of the tenants. All of the development agreement responsibilities for this lot have been met and the lot can be released. The owner of the lot will submit a Site Improvement Performance Agreement and financial guarantee to cover the cost of the site work specific to this lot prior to any work being performed on this site.

The City Council must adopt a resolution that authorizes the Mayor and City Clerk to execute the release.
