Title

Authorize Installation of Regulatory Signs

Executive Summary

Background

Installation of regulatory stop, yield and no parking signs requires authorization by City Council. The regulatory signs proposed meet warrants established in the Minnesota Manual of Uniform Traffic Control Devices. Intersections are reviewed for the type of regulatory sign to install. Stop signs are installed on street intersections with main through streets.

Strategic Plan Relationship

This project aligns with the City's strategic plan goal of well-maintained infrastructure by providing consistent high-quality street signage.

Board/Commission Review

Traffic Commission recommended the stop signs at 131st/132nd and Harpers Street on a 4-1 vote.

Financial Impact

None

Public Outreach/Input

Actions were based on citizen requests.

Staff Recommendation

By motion, approve the resolution.
