Background

Staff report prepared by Elizabeth Showalter, Community Development Specialist

Mystique Auto Sales currently operates an auto body and detailing business with indoor auto sales at 9999 Goodhue Street NE and is proposing to move to 1680 99th Lane NE. The business occasionally has the opportunity to purchase vehicles from dealers and private owners who bring cars in for repairs. When the work on these vehicles are more than the owner would like to spend, Mystique Auto Sales will buy the vehicles and resell them when the repairs have been made. This requires the applicant receive a dealer's license from the State of Minnesota.

The new location is an approximately 12,000 square foot existing building separated into four tenant spaces. Mystique Auto Sales will be using one for detailing, one for body work, and one for indoor auto sales. The fourth space (Suite 100) is not needed and will be leased to a different tenant. Auto repair, including body work, is a permitted use in the I-2 district. Any outside storage of vehicles is limited to vehicles being serviced and must be screened with 100% opaqueness (a solid fence). Vehicles being sold may not be stored outside.
