### Title

**Mission Statement Affirming Council/Staff Responsibilities**

### Executive Summary

Council is asked to adopt the annual resolution affirming Council/staff responsibilities.

### Background

The City Council initially adopted Resolution No. 86-41 defining certain responsibilities, defining expected Council/staff relationships and performance expectations, assuring no recriminations for acting in the public interest, and pledging no self-serving activities at the expense of the public interest. This resolution has come to City Council each year since 1986 for consideration and adoption at the first official meeting of the year.

Of note is the first “Whereas” clause, which includes the City of Blaine Mission Statement. As part of the strategic planning process in 2019, the City Council began work on a revised mission statement and on October 5, 2020, adopted Resolution 20-151 approving the City’s 2020-2023 Strategic Plan. The Plan consists of six strategic priorities: effective communication, financial stability, growth management, organizational health, TH 65 improvement, and well-maintained infrastructure. Associated with each strategic priority is a set of desired outcomes, key outcome indicators, and performance targets that describe expected results and how results will be measured.

As a result of this work the City’s resulting Mission Statement is to deliver exceptional public services with the highest degree of professionalism and accountability. The mission statement will be accomplished through core values of transparency and openness; fairness and impartiality; creativity and innovation, respect and efficiency.

This resolution should be regarded as more symbolic than substantive; however, the reminders contained in the resolution are important.

**WHEREAS**, the Blaine City Council is composed of seven individuals, all of whom have other occupations, duties, and responsibilities; and

4. The simple intent of this resolution is to remind each of us, Council and staff, that we exist in public office or employment, to serve the public interest and not to promote or serve individual interests.
