### **NEW DOG PARK SITE AT AQUATORE PARK**

Staff will report on Aquatore Dog Park site and provide amenity costs which include: Fencing, concrete, containers for bags, lights, water fountain, heaters, shelter, site clean-up/add trail, power to shelter, water to fountain. In-house items for dog park will be picnic tables. Funds would be used from our \$200,000 from the CIF interest that city council has approved as a 2016 project.

\*If recommended council would have to approve the new site which is in a community park. City Council has a policy that this money is to be used for neighborhood parks only at this time. City Council did approve the original budget with the Dog Park at Lochness Park which is a Special use park.

By motion recommend Aquatore Dog Park and the following amenities \_\_\_\_\_ at a cost of \$ \_\_\_\_\_ to the city council for approval.

OR

Have staff bring back additional information for the Aquatore Dog Park for discussion by the park board.
