BLAINE BASEBALL COMPLEX FOOTBALL FIELD SCOREBOARD

All six baseball fields and the Miracle League field have scoreboards at the Blaine Baseball Complex. The only field left that doesn't have a scoreboard is the football field. The Blaine Youth Football Association contacted us within the last month to let us know that they have funds to purchase a new scoreboard for the football field. They not only have funds to purchase the board but also have licensed electricians within their football group who are willing to do the wiring for the scoreboard. The scoreboard would be located in the Northeast corner of the football field just outside of baseball field #5. Power for the scoreboard could be supplied from the power on field 5. Currently, referees are keeping the game time on a stop watch and the score on a score card. This scoreboard would be a great addition to this field.

By motion, recommend that the Blaine Youth Football Association may purchase and install a new scoreboard on the Blaine Baseball Complex Football field northeast corner.
