### SECOND READING

#### **AMENDING SECTION 74-81(g)(4)g OF THE MUNICIPAL CODE OF THE CITY OF BLAINE ESTABLISHING 2018 PARK DEDICATION FEES**

On December 18, 2003, Resolution 03-249 was adopted by the City Council which directs that park dedication fees be adjusted on January 1 of each year. Park dedication fees are updated separately from the annual fee schedule ordinance.

The adjustment is determined by the percent of increase in the fair market value of undeveloped land within the City and must not exceed a 10% increase. The Park Board has recommended to the City Council an increase in residential park dedication fees of 5% and no increase for Commercial and Industrial based on the following:

Blaine ranks 8 out of 14 in residential fees for metro cities in the attached 2017 comparison for park dedication fees. Residential park dedication fees have been near the bottom since surveys have been conducted by parks and recreation staff.

Blaine ranks 5 out of 12 in commercial fees but is the only city that separates fees for commercial and industrial.

<u>Development Type</u>	<u>2017 Fee</u>	<u>2018 Fee</u>	<u>% increase</u>	<u>\$ Increase</u>
Residential (all types)	\$4,114/unit	\$4,320/unit	5%	\$206
Commercial	\$8,704/acre	\$8,704/acre	0%	\$0
Industrial	\$6,702/acre	\$6,702/acre	0%	\$0

By motion, hold second reading and adopt the proposed ordinance.
