CONSENT AGENDA - *Dan Schluender, City Engineer*

APPROVE PARKING RESTRICTIONS ON BALL ROAD, 93RD LANE AND PHEASANT RIDGE DRIVE

Installation of parking restriction signs requires authorization by City Council. Resolution 84-128 passed by the City Council prohibits parking on all streets within industrial areas. Ball Road, 93rd Lane and Pheasant Ridge Drive meet the standards of industrial areas and therefore have been assumed to fall under this resolution. Due to upcoming road projects which will require State Aid review, staff is recommending that Council approve specific parking restrictions for each of the streets to remove any ambiguity. The regulatory signs proposed meet warrants established in the Minnesota Manual of Uniform Traffic Control Devices.

By motion, adopt the Resolution.

WHEREAS, the City Council is cognizant of providing regulation of vehicular traffic in a safe and responsible manner; and

WHEREAS, City Ordinance requires a Council Resolution specifying the placement of regulatory signs; and

WHEREAS, the regulatory signs are considered to meet warrants for traffic control established in the Minnesota Manual on Uniform Traffic Control Devices.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Blaine that regulatory signs are hereby authorized to be installed as follows:

Ball Road NE

- No parking restrictions on both sides of Ball Road from Lexington Avenue/CSAH 17 to Lever Street NE.

93rd Lane NE

- No parking restrictions on both sides of 93rd Lane from Trunk Highway 65 to 85th Avenue/CSAH 32.

Pheasant Ridge Drive NE

- No parking restrictions on both sides of Pheasant Ridge Drive from Lexington Avenue/CSAH 17 to the southern terminus of Pheasant Ridge Drive.

PASSED by the City Council of the City of Blaine this 21st day of March, 2019.
