Arroyo Villas consists of subdividing approximately 5.28 acres into a subdivision with 22 single family, detached units. This project is being proposed immediately south of the proposed Cedar Point apartment project on the southwest corner of Ulysses Street and 117th Avenue. The development received Council approval of a rezoning, preliminary plat and a conditional use permit as the proposed new zoning of the property is DF (Development Flex).

The final plat includes 22 single family detached lots and two outlots. Outlot A will be used for ponding and is in a drainage and utility easement. Outlot B will be used for a private drive.

The plat will be accessed off of Ulysses Street by one driveway. The internal road will be considered private and will be maintained by the association. The internal road shall be named 115th Circle NE.

Park dedication is required for this plat in the amount of \$4,449 per unit for a total park dedication fee of \$97,878. This fee will be required prior to releasing the final plat mylars for recording at Anoka County.

A development agreement will be required prior to any work being performed on site. This agreement includes the submission of a final guarantee for all site work to be performed and a cash escrow to cover the city's cost of inspecting the improvements.

The final plat is consistent with the approved preliminary plat, Resolution No. 19-89.
