CONSENT AGENDA- *Nate Monahan, Recreation Manager*

ACCEPTING THE PROPOSAL FOR REPLACEMENT PLAYGROUND EQUIPMENT IN THE AMOUNT NOT TO EXCEED \$100,000 FROM FLAGSHIP RECREATION FOR KANE MEADOWS PARK

Kane Meadows Park playground equipment is 20 years old and is in need of replacement. The cost of the playground with installation, concrete curbing, and engineered wood fiber will be \$100,000. Funding for the Kane Meadow Park playground comes from the 2019 Parks and Trails tax levy fund and budget that the Council approved on December 20, 2019.

Proposals were submitted by three different playground vendors who were all given the same parameters which included playground equipment, engineered wood fiber, concrete curbing, and installation with a budget of \$100,000.

The Park Board has reviewed the proposed plan and is recommending it to the City Council.

By motion, accept the proposal for replacement playground equipment in the amount not to exceed \$100,000 from Flagship Recreation for Kane Meadows Park.
