At the September 16, 2019 City Council workshop, staff brought forward a list of proposed projects for the 2020 Pavement Management Program (PMP). The 2020 Street Reconstructions - Area 2 project consists of reconstruction of the following streets:

- **Taylor Street** from 129th Avenue to 132nd Lane
- **Pierce Street** from Taylor Street to 132nd Lane
- **Lincoln Street** from 131st Lane to 132nd Lane
- **Johnson Street** from 131st Lane to 132nd Lane
- **129th Lane** from Polk Street to Taylor Street
- **131st Lane** from Lincoln Street to Central Avenue
- **132nd Avenue** from Jonson Street to Central Avenue
- **132nd Lane** from Taylor Street to Central Avenue

The streets are all residential streets with concrete curb and gutter which have reached the end of their service lives. The proposed project would fully reconstruct all of the streets in 2020.
