Vacation of Drainage and Utility Easement, Outlot E, Springbrook 2nd Addition, Vacation No. V21-01

The City received a petition dated April 7, 2021 from Matthew Barker, representing Springbrook Land LLC, requesting the vacation of the existing drainage and utility easement over the entire outlot E, Springbrook 2nd Addition.

The property was originally platted as an outlot, while waiting for the property to the west to develop and extend utility services to their east property line. With the development of Woods at Quail Creek 5th addition extending the utilities, the existing outlot can be replatted and developed with two residential lots. Engineering staff has reviewed the request and is in agreement with the vacation.
