Title

Wetland Credit Sale (0.80 Acres)

Executive Summary

Rehbein Properties is proposing a project in the city of Lino Lakes that has impacts to wetlands. The applicant has requested to purchase 0.80 acres of wetland credits from the Site 7 Wetland Bank that are necessary for the proposed project to meet permit requirements.

Background

Rehbein Properties would like to purchase 0.80 acres of wetland credit from the City of Blaine (Site 7) Wetland Bank at a value of \$2.50 per square foot. The cost of the wetland credit purchase is \$87,120 based on the 0.80 acres. In addition, Rehbein Properties will pay the City of Blaine's withdrawal fee to BWSR for withdrawing the credits.

Please note, when Site 7 Wetland Bank was created, the pro forma was based on the sale of wetland credits as a unit cost of \$1.75-\$2.00 per Square foot.

The city's Site 7 received a release of an additional 12 credits this summer that are now available for sale.

Strategic Plan Relationship

The sale of wetland credits provides funding for the city to maintain its open spaces and trails meeting the well maintained infrastructure goal of the strategic plan.

Board/Commission Review

The Natural Resource Conservation Board was made aware of the sale of the wetland credits.

Financial Impact

If approved, the city will add \$87,120 to the Open Space Development Fund, pursuant to the City's Capital Improvement Plan.
