**File #:** RES 21-194, **Version:** 1

---

**Consent** - *Dan Schluender, City Engineer*

### **Title**

### **Wetland Credit Sale (3.08 Acres)**

#### **Executive Summary**

Arlo Steel is proposing a project in the City of Dayton that has impacts to wetlands. The applicant has requested to purchase 3.08 acres of wetland credits from the Site 7 Wetland Bank that are necessary for the proposed project to meet permit requirements.

#### **Background**

Arlo Steel would like to purchase 3.08 acres of wetland credit from the City of Blaine (Site 7) Wetland Bank at a value of \$2.50 per square foot. The cost of the wetland credit purchase is \$335,412 based on the 3.08 acres. In addition, Arlo Steel will pay the City of Blaine's withdrawal fee to BWSR for withdrawing the credits.

Please note, when Site 7 Wetland Bank was created, the pro forma was based on the sale of wetland credits as a unit cost of \$1.75-\$2.00 per Square foot.

The city's Site 7 received a release of an additional 12 credits this summer that are now available for sale.

#### **Strategic Plan Relationship**

The sale of wetland credits provides funding for the city to maintain its open spaces and trails meeting the well maintained infrastructure goal of the strategic plan.

#### **Board/Commission Review**

The Natural Resource Conservation Board was made aware of the sale of the wetland credits.

#### **Financial Impact**

If approved, the city will add \$335,412 to the Open Space Development Fund, pursuant to the City's Capital Improvement Plan.

#### **Public Outreach/Input**

N/A

#### **Staff Recommendation**

Adopt the resolution.

#### **Attachment List**

No attachments.

**BE IT RESOLVED** by the Blaine City Council (the “Council”), as follows:

**WHEREAS**, it is one of the goals and purposes of the Council to sell credits to generate revenue to offset costs to maintain the city’s open spaces and trails; and

**WHEREAS**, Arlo Steel proposes to impact wetlands through development in the City of Dayton; and

**WHEREAS**, the Arlo Steel project has identified the need to acquire 3.08 acres of wetland credits and has indicated an interest in purchasing the City of Blaine wetland credits that are necessary for their project.

**NOW, THEREFORE, BE IT RESOLVED**, by the Blaine, Minnesota City Council, that the Mayor and City Manager are hereby authorized to execute any and all agreements and documents required for the sale and transfer of 3.08 acres of City wetland credits to the Arlo Steel project at a cost of \$2.50 per square foot plus the City of Blaine’s out of pocket cost for withdrawing credits from the wetland bank.

**PASSED** by the Blaine City Council this 4th day of October, 2021.
